

Numpy

Image to Array using Numpy

Changing colours and performing some operations on Image using PIL and matplotlib

```
[1]: import numpy as np
import matplotlib.pyplot as plt
```

```
[2]: ones_arr = np.ones((5,5))
```

```
[3]: ones_arr
```

```
[3]: array([[1., 1., 1., 1., 1.],
          [1., 1., 1., 1., 1.],
          [1., 1., 1., 1., 1.],
          [1., 1., 1., 1., 1.],
          [1., 1., 1., 1., 1.]])
```

```
[4]: ones_arr = np
ones((5,5))
```
